CONFERENCE CENTER

LEGEND

-  Elevators
-  Stairs

Lincoln's Statue

From Public Entrance to Conference Center is long walk, also there is a security scanner and x ray machine to go through.

Parking: You can park in the "Capitol Garage" then exit to the Westin hotel and walk across to public entrance. Meters on W side of building are close to entrance but need payment every 2 hours. Washington St. Garage puts you on DOL side but still remote from conference center.
